PLANTING GUIDE

BOYD NURSERY COMPANY

F. C. BOYD, Manager

Shade Trees, Ornamental Shrubs, Evergreens and Roses

Located One Mile South of Public Square on Manchester Pike, 55-A, McMinnville, TENN.

Telephone No. 170-R

OUR GUARANTEE: All goods are guaranteed to reach you in good condition; mistakes, if made, will be promptly rectified. Accept shipment, examine and count on receipt and notify us at once should there be any errors, and the carrier as well, if any damaged stock. This guarantee not good unless above requirements are complied with. We do not guarantee continued growth. Remember, a tree, shrub or plant is a living organism, as much as a cow, horse or man. It breathes, drinks and feeds, and is liable to attacks of disease and insects. At prices we sell, it is impossible for us to guarantee growth or to be responsible for stock after delivery to our customers in good condition.

TERMS: Cash with order, except to persons who satisfy us as to their responsibility. Remittances may be made by bank draft, postal or express money order. Never send loose currency in envelope.

DISCOUNTS: 10% Discount from list prices if cash order is received any time between now and November 1st.

6% Discount from list prices if cash is received with order in November.
3% Discount allowed on all cash orders after dates mentioned.
Orders shipped C. O. D. if one-fourth cash accompanies order.
No discount on C. O. D. orders.
Buy Wisely—Take Advantage of These Special Discounts for Cash and Promptness in Ordering

PACKING: All plants are carefully packed to prevent drying or freezing, while in transit. All packing charges are included in catalog list price.

HOW TO SHIP: We prefer shipping by express, CUSTOMER TO PAY THE CHARGES. If you prefer sending by parcel post, add 15%

to your order to cover this. ALL PLANTS ARE SOLD F. O. B. McMinnville, Tennessee. CUSTOMERS ARE TO PAY ALL TRANSPORTATION CHARGES. IN ORDERING Please give plainly the name, post office and state. Always tell us how you want goods to come, and name your express or freight station. Make out orders on separate sheet from your letter, plainly stating the grade you want.

COREOPSIS

A profusion of golden yellow flowers on long, graceful stems from early June until frost. Excellent for cutting. Grows 2 feet high.
7c each, 50c per doz.

PEONIES

There is no flower more beautiful than the Peony, and the older it gets the more beautiful it gets; every flower lover should have some of them. We have some real nice ones that we are making a special price on them and you will make no mistake by getting a few of these. We are offering them in colors in place of varieties—Red, White and Pink.
25c each, 3 for 60c, \$2.00 per doz.

YUCCA FILAMENTOSA

Exceedingly good for the rockery. Long, narrow leaves that remain green the entire year. It throws up a long flower stem in the summer 3 or 4 feet high, bearing large spikes of creamy white bell-shaped flowers that retain their beauty for a long time.

	Each	10
One year plants	\$0.10	\$0.75
Two year plants, clumps	.20	1.50

PAPER WHITE NARCISSUS

These have been favorites for ages as a decoration for the living room during the coldest winter months when flowers are scarce. Their culture is simple; plant bulbs in shallow bowls filled with pebbles and water. Keep in the dark until roots form (about 2 weeks) then bring into light. Large size bulbs, 50c per doz; medium size, 35c per doz.

LILIES

DAY LILY (*Hemerocallis florham*). Grows 3 to 3½ feet high; flowers large, rich golden yellow marked with Indian yellow. Blooms from June until last of July. 60c per doz.; \$4.00 per 100.

LEMON LILY (*Hemerocallis flava*). Stems 2 to 3 feet tall, longer than the numerous, gracefully arching leaves. Flowers fragrant, clear yellow, very freely produced in early summer. 15c each; \$1.25 per doz.

TAWNY DAY LILY (*Hemerocallis fulva*). Stems 3 to 4 feet tall, from a leafy base. Flowers tawny orange with wavy margined petals. 60c per doz.; \$4.00 per 100.

REGAL LILY (*Lilium Regale*). One of the most beautiful Lilies. The flowers are white, slightly suffused with pink, with a beautiful glow of canary-yellow at center, and continuing part way up the trumpet. Its perfume is exquisite, resembling the Jasmine. The flowers appear in June, and will continue to bloom into August. Very hardy. 20c each; \$1.75 per doz.

TIGER LILY (*Lilium tigrinum*). Will grow to a height of 2 to 5 feet. Flowers bright, deep orange-red, spotted with black, purplish spots, borne in many clusters in August and September. A remarkably useful plant. 15c each; \$1.40 per doz.

SPIDER LILY (*Hemerocallis*). An entirely distinct species of midsummer-flowering Lily, that should be in every garden. Perfectly hardy in all locations. The odd form of its highly attractive, large, snow-white flowers is suggestive of its name. Plant deep. 60c per doz.; \$4.00 per 100.

MADONNA LILY (*Lilium candidum*). This is one of the oldest, loveliest and best known Lilies. It is the earliest white outdoor garden Lily. Has a rich perfume and snow-white flowers from 3 to 15 on a stem. It is very hardy and will thrive in any good garden soil. It blooms from June to the middle of July. Do not plant too deep, cover about 4 inches. 35c each; \$3.50 per doz.

SPECIOSUM LILY (*Lilium speciosum rubrum*). A vigorous variety. Its color is a rich carmine on white ground with crimson spots. 30c each; \$3.00 per doz.

Regal Lilies

ROSES, Nature's Most Beautiful Creation

CULTURAL DIRECTIONS

Roses thrive best in clay loam enriched with well-rotted manure. They should also have an open, airy situation unshaded by trees or buildings wherever possible. A southeastern exposure is an ideal one. To get the best results from Roses, dig up the soil thoroughly to a depth of 12 to 15 inches. Soak the beds occasionally with weak manure water. Always plant in solid beds and each class by itself. Hardy Roses may be planted in the fall or spring. Dormant plants set in the spring should be planted early, before growth is started. No plants suffer more by being planted late than does the Rose. As Roses are raised mostly for their flowers, it is necessary to give that culture to the plant best adapted to produce this result. A very rich soil is of the first importance and it must be made so by thoroughly working into it plenty of old composted stable manure in which leaf mold has been decomposed. All Roses should be cut back closely at the time of planting. As soon as severe freezing weather sets in the plants should have some protection.

WHITE

BESSIE BROWN. Large, double flowers; pure white flushed with pink near center.

FRAU KARL DRUSCHKI. This is the white American Beauty. One of the most popular Roses grown; flowers pure white, very perfect in form.

KAISERIN AUGUSTA VICTORIA. Buds creamy, well formed, which develop into blooms of snowy white, with a slight tint of lemon at center. Very fragrant.

KILLARNEY WHITE. Very long pointed buds of the original Killarney form, but snowy white. This Rose is among the best pure white garden roses. Any of the above mentioned hardy Rose Bushes 45c each, \$1.25 for 3, \$4.00 per doz.

PINK

COLUMBIA. Enormous blooms of clear pink, deepening to a glowing shade as its opens. Beautiful as a cut flower, due to the long, stiff stems.

KILLARNEY PINK. Quite a favorite of brilliant silvery pink. Similar in form and habit to the Killarney White.

JONKHEER J. L. MOCK. Clear imperial pink, reverse of petals rosy, silvery white; blooms of magnificent size and form produced freely on stiff, erect canes.

PRESIDENT HERBERT HOOVER. The outstanding novelty rose recently introduced. Large flowers of very charming combination of cerise-pink, flame and yellow, with broad, thick petals; very fragrant. Remarkably vigorous grower with clean handsome foliage. Very profuse bloomer. 60c each; 3 for \$1.50.

PINK RADIANCE. Charming in every particular; healthy growing, fine color and freedom of bloom. In color of flower it is both unique and beautiful—a bright rose with opal and coppery reflections. Hardy everywhere with protection. As its name suggests, it is radiantly beautiful.

PAUL NEYRON. The largest rose in cultivation, sometimes called the Peony Rose. Color light, smoky rose; flowers are very double and full, delightfully fragrant. The plant makes a strong, healthy growth and has clean, glossy foliage. Blooms two or three times a year.

Any of the above mentioned Hardy Rose Bushes 45c each, \$1.25 for three, \$4.00 doz.

RED

FRANCIS SCOTT KEY. An outstanding American variety; extremely large bloom of a rich, crimson-red; full, very double. Fine foliage and decidedly hardy. Named for writer of "Star-Spangled Banner."

HADLEY. Deep rich, velvety crimson. Well formed buds on long stiff stems. Very fragrant; free producer of flowers.

GENERAL JACQUEMINOT. One of the most popular of the red roses; brilliant crimson, large and very effective. Very fragrant and one of the hardiest.

SENSATION. Handsome buds, large blooms of very deep blackish maroon; very fragrant. Almost thornless. Healthy foliage. The finest of the dark roses.

GRUSS AN TEPLITZ. Brightest red of all roses, a rich scarlet with crimson shading; deliciously fragrant. Hardy, vigorous grower. Blooms from early June until frost.

RED RADIANCE. The color is a splendid even shade of clear red, without a trace of any other color, retaining its vividness for an unusually long time after being cut. It is a remarkable bloomer, being constantly in flower from early spring until freezing weather.

Any of the above mentioned Hardy Rose Bushes, 45c each, \$1.25 per three, \$4.00 per doz.

YELLOW

TALISMAN. A novel production and perhaps the highest colored of all roses. Rich shadings and blending of orange, scarlet and gold. Beautiful cup-shaped buds and full flowers with appealing fragrance. Very free bloomer. 60c each, 3 for \$1.50.

ALEXANDER HILL GRAY. Pale lemon yellow deepening in the center of its perfectly formed fragrant flowers.

LADY HILLINGDON. Deep apricot yellow to orange; long pointed buds; a free-flowering forcer and strikingly decorative. Awarded Gold Medal of National Rose Society.

LOS ANGELES. A rose of unusual beauty of coloring, being a luminous flame-pink toned with coral and shaded with translucent gold at the base of the petals. The flowers are perfect in form and borne erect on strong branching stems. Very vigorous, pointed buds are exquisite for cutting.

LOUXEMBOURG. Long, pointed buds of beautiful bronze-yellow, and very fragrant. One of the best yellows for your rose garden.

MRS. AARON WARD. Low, bushy plants with pointed, holly-like foliage and fine fawn-colored buds and open blooms.

JOANNA HILL. A gorgeous new yellow rose—long, pointed buds of perfect form, opening into large, exquisite flowers of clear yellow with orange-yellow heart. Ideal blooms for cutting, as they last an unusually long time. 60c each; three for \$1.50.

SUNBURST. Orange-copper or golden orange; all intense shades, giving an extremely brilliant effect. A giant rose, long stems, long pointed buds; vigorous and healthy.

Any of the above mentioned Hardy Rose Bushes, 45c each, \$1.25 per three, \$4.00 per 12, unless otherwise specified.

CLIMBING ROSES

MARY WALLACE. The outstanding large-flowered pink climber. Very brilliant and invariably satisfactory. Growth is enormous and rapid; make good cut flowers.

BABY RAMBLER. The best known rambler rose. Immense clusters of small double, crimson blooms. Very pretty and showy.

DOROTHY PERKINS. Pink Rambler. Graceful, twining growth of great vigor. Flowers soft, shell-pink, small crinkly, in great clusters.

DR. W. VAN FLEET. Large clusters of exquisite pale pink on fine long stems. Extremely vigorous, and has marvelously fine foliage. One of the most popular of all climbers.

GARDENIA. One of the strongest growers, with beautiful glossy foliage. Buds rich creamy yellow and open flowers yellow fading to cream.

MADAME PLANTIER. Flowers are pure white, very large and double. Continuous bloomer. One of the best hardy climbing roses.

MARECHAL NIEL (Climbing). Long known as the finest yellow rose in the world, a model of beauty and fragrance. Lovely buds and flowers of deep, golden yellow. Strong growth and abundant bloom. Succeeds in the South with ordinary care, but needs winter protection. 50c each, \$4.50 per 10.

PAUL'S SCARLET CLIMBER. The most popular red-flowered climber of the day. Flowers large, well-shaped, vivid scarlet-red.

WICHURAIANA. The memorial rose. Pure shining white, with bright golden center. Single large blossoms, glossy dark green leaves.

Any of the above varieties of Climbing Roses, 35c each, \$1.00 per three, \$3.00 per ten, unless otherwise specified.

Sunburst

Gardenia

Broad-Leaved Evergreen Shrubs

ABELIA GRANDIFLORA (Glossy Abelia). The leaves are at first bright green, turning later to a darker green. The pinkish white flowers are delicately fragrant and continue from May to November. Grows 3 to 5 feet tall, and is well adapted for hedging.

	Each	10
12 to 18 inch	\$0.20	\$1.50
18 to 24 inch	.30	2.50
2 to 3 feet	.40	3.50
3 to 4 feet	.50	4.50

BOXWOOD (*Buxus Sempervirens*). Tall growing, the type most commonly seen in old-fashioned hedges, or can be used as individual, specimen plantings. The leaves are small, round, glossy green. Can be trimmed to any shape.

	Each	10
12 to 15 inch	\$1.00	\$9.00
15 to 18 inch	1.50	12.50
18 to 24 inch	2.00	17.50
24 to 30 inch	2.50	22.50
30 to 36 inch	3.50	30.00

MAGNOLIA GRANDIFLORA (Southern Magnolia). The grandest of all our native evergreen trees. Nothing more conspicuous can be seen among evergreens when its enormous, fragrant white flowers are fully expanded.

	Each	10
18 to 24 inch	\$0.75	\$6.00
2 to 3 feet	1.00	8.00
3 to 4 feet	1.50	12.50
4 to 6 feet	2.50	20.00
6 to 8 feet	3.50	30.00

AMERICAN HOLLY (*Ilex Opaca*). A beautiful evergreen tree, with glossy, irregular-shaped leaves and bright red berries, familiarly known as Christmas Holly. It is quite hardy and adapts itself to varied soil conditions.

	Each	10
12 to 18 inch	\$1.00	\$8.00
2 to 3 feet	2.00	17.50
3 to 4 feet	3.00	25.00
4 to 5 feet	4.00	35.00

MOUNTAIN LAUREL (*Kalmia Latifolia*). A native evergreen shrub with rich green foliage and bearing in early summer large clusters of wonderfully beautiful pink and white flowers, in the greatest profusion. It is perfectly hardy and succeeds in many different climates.

	Each	10
12 to 18 inch	\$1.00	\$8.00
18 to 24 inch	1.50	12.50
2 to 3 feet	2.00	17.50

NANDINA DOMESTICA. A beautiful, upright-growing shrub, with numerous reed-like stems springing from the same root. Leaves deep, glossy green, when young tinged with red; in winter coppery tones are assumed. White flowers are followed by masses of bright red berries which are retained all winter. Extensively used in landscaping.

	Each	10
15 to 18 inch	\$0.75	\$6.00
18 to 24 inch	1.00	8.00
2 to 3 feet	1.50	12.50
3 to 4 feet	2.00	17.50

The Holly is Always Attractive

The Hardy Climbing Shrubs or Vines

VIRGINIA CREEPER (*Ampelopsis Quinquefolia*). Has large, deeply cut leaves that turn crimson in autumn. Very rapid grower.

	Each	10
Two year, transplanted	\$0.25	\$2.00
Three year, transplanted	.35	3.00

BOSTON IVY (*Ampelopsis Veitchii*). Used for covering walls, as it will cling to the smoothest surface. Foliage turns to brilliant orange and crimson in the fall.

	Each	10
Medium	\$0.25	\$2.00
Two year, transplanted	.35	3.00

CELASTRUS SCANDENS (American Bittersweet). Handsome, glossy foliage and large clusters of beautiful orange-crimson fruits, which hang on all winter.

	Each	10
One year	\$.25	\$2.00
Two year, transplanted	.35	3.00

CLEMATIS PANICULATA (Japanese Clematis). Small creamy white, star-shaped flowers in wild profusion, which are very fragrant.

	Each	10
Two year plants	0.35	\$3.00

CLEMATIS VIRGINIANA (Wild Clematis). Very hardy. Flowers are white, borne in leafy panicles.

	Each	10
Two year plants	\$0.25	\$2.00

CLEMATIS JACKMANII. Beautiful velvety purple blossoms. Extremely free flowering.

	Each	10
Two year vines	\$0.65	\$5.00

Vines are useful in many ways. They give quick results when planted on a new place before trees and shrubs become established. For covering fences, rocks, walls, banks and trellises, they are peculiarly adapted. A porch without a vine is desolate and incomplete.

Hall's Japan Honeysuckle

PACHYSANDRA (Japanese Spurge). A very useful ground cover for shady locations. Bright green leaves, greenish white flowers.

	Each	10
One year	\$0.25	\$2.00
Two year	.35	3.00

PASSIFLORA (Passion Flower). A fast-growing vine with deeply cut, sea-green leaves and fragrant blue flowers.

	Each	10
One year plants	\$.15	\$1.00
Two year, transplanted	.25	2.00

KUDZU VINE (*Pueraria Thunbergiana*). Makes the most marvelous growth of any vine, its large leaves making dense shade. The flowers are rosy purple.

	Each	10
One year seedlings	\$0.10	\$0.85
Two year strong plants	.15	1.00
Three year strong plants	.25	2.00

HALL'S JAPAN HONEYSUCKLE (*Lonicera Halliana*). This vine will grow under any condition. Dark green foliage, almost evergreen, with an abundance of white flowers, changing to yellow, which are very fragrant.

	Each	10	100
Medium	\$0.10	\$0.50	\$3.00
One year No. 1	.15	.75	5.00
Two year No. 1	.25	1.00	7.00

SCARLET TRUMPET HONEYSUCKLE (*Lonicera Sempervirens*). An exceptionally hardy vine and fine bloomer. Blossoms bright scarlet, trumpet-shaped, with rich, dark green leaves.

	Each	10
Two year, transplanted	\$0.20	\$1.50
Three year, transplanted	.30	2.50

Hardy Field Grown Nut Trees

HAZELNUTS (*Corylus Americana*). Nuts borne in large fringed fruit husks. Kernels sweet and edible. A very hardy tree with handsome foliage.

	Each	10
2 to 3 feet	\$0.25	\$2.00
3 to 4 feet	.35	3.00

BLACK WALNUT (*Juglans Nigra*). Native tree of large size, produces large crops of delicious meaty nuts. The wood of the Black Walnut tree commands the highest price on the market because of its beauty and value in furniture making.

	Each	10
18 to 24 inch	\$0.10	\$0.85
2 to 3 feet	.15	1.00
3 to 4 feet	.25	2.00
4 to 6 feet	.35	3.00
6 to 8 feet	.50	4.00

WHITE WALNUTS (*Juglans Cinerea*). Also called Butternuts. Valuable for shade. Highly prized, producing a sweet, nutritious kernel.

	Each	10
2 to 3 feet	\$0.20	\$1.50
3 to 4 feet	.30	2.50
4 to 6 feet	.40	3.00

PECANS (*Carya Pecan*). Pecan growing is becoming a favorite industry in the Southern and Western States and is quite profitable. The trees are long lived, quite hardy and productive.

MONEYMAKER—Extra good; heavy producer.

SCHLEY—Nuts of highest quality and very thin shell.

STUART—Extremely hardy. Nuts good size, plump and well filled.

SUCCESS—Resembles the Stuart, only larger. Nuts excellent flavor.

Prices on above varieties:	Each	10
2 to 3 feet	\$0.45	\$4.00
3 to 4 feet	.65	5.00
4 to 5 feet	.75	6.00

FOREST TREE SEEDLINGS FOR REFORESTATION

We are growing large quantities of forest tree seedlings for reforestation purposes and are making attractive prices on one and two-year seedlings, where they are used for above mentioned purposes. Write for special quotations, giving quantities wanted.

HARDY FERNS

The most beautiful and natural effects can be produced by planting hardy ferns. They should be planted to be protected from the prevailing winds. They are perfectly hardy and can stand planting either in shady or sunny positions. The Hardy Ferns are most satisfactory for planting on shady banks and around porches where the sun does not reach. They are valuable in that they do well in any good well-drained soil and require practically no care. No home should be without them. We can furnish either of the following varieties:

MAIDEN HAIR FERN. A graceful species, with large deciduous leaves, very dark chestnut-brown stipes radically forked at the summit. Grows 10 to 15 inches high. Small roots. 40c per doz.; \$3.00 per hundred.

HAY-SCENTED FERN. Has thin and delicate leaves, from one to three feet long. Stipes clustered; pale green and sweet scented. 50c per doz.; \$3.50 per hundred.

CINNAMON FERN. Stately fern with very large, creeping root stocks. Bright green with pinnatifid divisions, growing 3 to 5 feet tall. 50c per doz.; \$3.00 per hundred.

ROYAL FERN. Vigorous fern with good stout root stocks. Fronds will measure a foot or more wide, growing 2 to 5 feet tall. 60c per doz.; \$4.00 per hundred.

CHRISTMAS FERN. Beautiful Evergreen Fern with densely chaffy stipes. Leaves deep green with numerous pinnae, 1 to 2 feet long. 50c per doz.; \$3.50 per hundred.

Ornamental Flowering Shrubs

Furnish the "finishing touch" to the outside of the home, the background or setting of your house

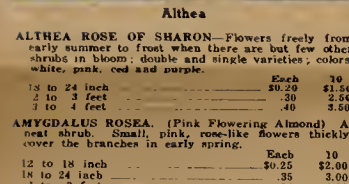

Hardy Ornamental Trees for "Shade and Beauty"

Shade trees are always an attractive setting for the house. They are necessary, too, to add comfort to the hot summer days. The owner of farm or city property that is well planted with shade trees, windbreaks and shrubbery finds himself possessed not only of a beautiful home, but one that has increased its value many times the original cost of the trees and plants.

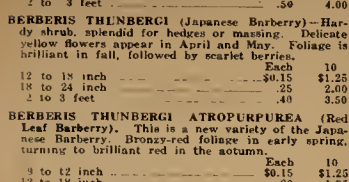

LILAC—SYRINGA
This family of shrubs should be so familiar as to not require any special description, for it would be really difficult to give a true description of their beauty and charm. They are a necessary part of every planting, as they will grow and thrive most anywhere. We offer some of the more common ones, then we have some of the newer French varieties:
PURPLE—Best known of all Lilacs. Strong, upright grower; large clusters of purplish flowers.
WHITE—Same as the Purple in habit; white flowers.
ROTHOMAGENSI—Deep reddish lilac flowers borne in long loose panicles.
Prices on above: Each 10
18 to 24 inch \$0.25 \$2.00
2 to 3 feet .35 3.00
3 to 4 feet .40 3.50

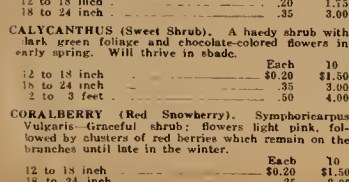

FRENCH LILACS
EDOUARD ANDRE—Double rosy-purple.
JACQUES CALOT—Double reddish-violet.
JEAN MACE—Double purple.
MICHEL BUCHNER—Double pale lilac.
Prices on above: Each 10
18 to 24 inch \$0.40 \$3.50
2 to 3 feet .50 4.50

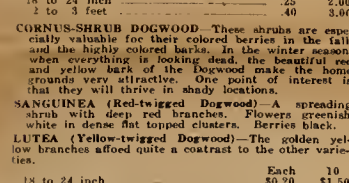

ALTHEA
ALTHEA ROSE OF SHARON—Flowers freely from early summer to frost when there are but few other shrubs in bloom; double and single varieties; colors, white, pink, red and purple.
Prices on above: Each 10
18 to 24 inch \$0.20 \$1.50
2 to 3 feet .30 2.50
3 to 4 feet .40 3.50

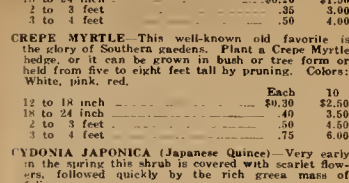

BERBERIS THUNBERGII (Japanese Barberry)—Hardy shrub, splendid for hedges or massing. Delicate yellow flowers appear in April and May. Foliage is brilliant in fall, followed by scarlet berries.
Prices on above: Each 10
18 to 24 inch \$0.15 \$1.25
2 to 3 feet .20 1.75
3 to 4 feet .25 2.00

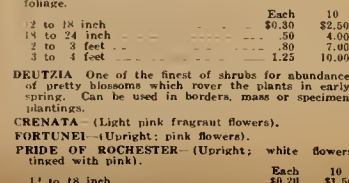

BERBERIS THUNBERGII ATROPURPUREA (Red Leaf Barberry)—This is a new variety of the Japanese Barberry. Bronzed foliage in early spring, turning to brilliant red in the autumn.
Prices on above: Each 10
18 to 24 inch \$0.15 \$1.25
2 to 3 feet .20 1.75
3 to 4 feet .25 2.00

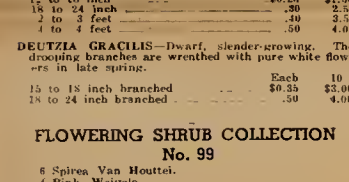

CORNUS—SHRUB DOGWOOD—These shrubs are especially valuable for their colored berries in the fall, and the highly colored bark. In the winter season, when everything is looking dead, the beautiful red and yellow bark of the dogwood make the bare grounds very attractive. One point of interest is that they will thrive in shady locations.
Prices on above: Each 10
18 to 24 inch \$0.20 \$1.50
2 to 3 feet .30 2.50
3 to 4 feet .40 3.50

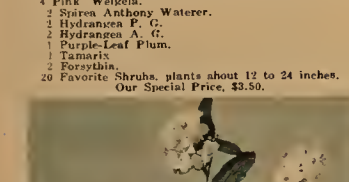

FORSYTHIA—GOLDEN BELL
Few, if any, of the spring flowering, hardy shrubs can surpass the splendor and brilliancy of the Forsythias. They thrive in almost any fertile soil.
FORTUNE—(Upright).
INTERMEDIA—(Arching).
SUSPENS—(Long curving branches).
VIRIDISSIMA—(Upright).
Prices all varieties: Each 10
18 to 24 inch \$0.25 \$2.00
2 to 3 feet .30 2.50
3 to 4 feet .40 3.50

HYDRANGEA
ARBORESCENS (Common Wild Hydrangea). Similar to the Arborescens Grandiflora, only that the clusters of white flowers are smaller. Very hardy.
Prices on above: Each 10
18 to 24 inch \$0.25 \$2.00
2 to 3 feet .30 2.50
3 to 4 feet .40 3.50

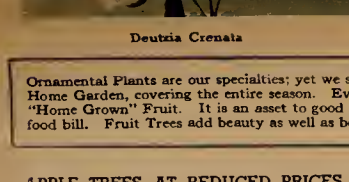

DEUTZIA
CREPE MYRTLE—This well-known old favorite is the glory of Southern gardens. Plant a Crepe Myrtle hedge, or it can be grown in bush or tree form or held from five to eight feet tall by pruning. Colors: White, pink, red.
Prices on above: Each 10
18 to 24 inch \$0.30 \$2.50
2 to 3 feet .40 3.50
3 to 4 feet .75 6.00

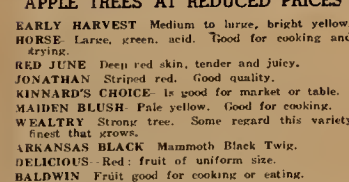

DEUTZIA CRENATA
CYDONIA JAPONICA (Japanese Quince)—Very early in the spring this shrub is covered with scarlet flowers, followed quickly by the rich green mass of foliage.
Prices on above: Each 10
18 to 24 inch \$0.30 \$2.50
2 to 3 feet .40 3.50
3 to 4 feet .75 6.00

AMERICAN LINDEN (Tilia Americana)—Suitable for parks or lawns. Intensely fragrant yellow flowers, and broad top which gives plenty of shade.
Prices on above: Each 10
3 to 4 feet \$0.50 \$4.00
4 to 6 feet .75 6.00
6 to 8 feet 1.25 10.00

AMERICAN BEECH (Fagus Americana)—This tree makes a fine winter display on account of its smooth, light gray bark, but is much better in spring, when veiled by the tender green leaves. The nuts have a fine flavor, and are borne in abundance.
Prices on above: Each 10
4 to 5 feet \$0.50 \$4.00
5 to 6 feet .75 6.00
6 to 8 feet 1.00 9.00
8 to 10 feet 1.50 12.50

WHITE BIRCH (Alba)—A medium-sized tree, with grayish green foliage and slender branches. As the tree grows older the bark becomes whiter.
Prices on above: Each 10
6 to 8 feet \$1.00 \$8.00
8 to 10 feet 1.50 12.50

CUT LEAF WEEPING BIRCH (Alba Pendula)—Most remarkable and beautiful tree for the lawn. Foliage deep cut; silvery white bark at maturity.
Prices on above: Each 10
8 to 10 feet \$2.50 \$20.00

SILVER MAPLE (Acer dasycarpum)—A very quick-growing shade tree. Foliage light green above and silvery beneath. Will grow under most all conditions.
Prices on above: Each 10
4 to 5 feet \$0.20 \$1.75
5 to 6 feet .30 2.50
6 to 8 feet .45 4.00
8 to 10 feet .75 6.00
10 to 12 feet 1.00 9.00

SUGAR MAPLE (Acer saccharum)—Known also as Hard Maple. It is adapted to rocky, gravelly soil. Leaves come out early, and in late summer turn to brilliant colors. The delicious Maple Sugar is made from the sap of these trees.
Prices on above: Each 10
4 to 5 feet \$0.40 \$3.00
5 to 6 feet .55 4.00
6 to 8 feet .75 6.00
8 to 10 feet 1.25 10.00

TULIP TREE
CARPINUS—HORNBEAM
CAROLINIANA (American Hornbeam)—A bushy, low-growing tree with slender branches and bluish green leaves that will stand any amount of trimming and is excellent for specimen planting or hedging. The leaves turn to orange and scarlet in autumn.
Prices on above: Each 10
4 to 6 feet \$0.60 \$5.00
6 to 8 feet .85 7.50
8 to 10 feet 1.00 9.00

CERCIS—REDBUD
CANADENSIS (Redbud or Judas Tree). A small tree, branching irregularly from the ground, spreading in habit, with smooth heart-shaped leaves in early spring has small pink flowers. A tree for the lawn.
Prices on above: Each 10
3 to 4 feet \$0.25 \$2.00
4 to 5 feet .30 2.50
5 to 6 feet .40 3.00
6 to 8 feet .60 5.00

CORNUS FLORIDA (White Flowered Dogwood). A tree that is a source of beauty and pleasure the entire year round. In spring the snowy white flowers appear before the foliage; the foliage is handsome during the summer, and the red berries are one of autumn's chief charms.
Prices on above: Each 10
3 to 4 feet \$0.25 \$2.00
4 to 5 feet .30 2.50
5 to 6 feet .40 3.00
6 to 8 feet .60 5.00

CORNUS FLORIDA RUBRA (Pink Flowering Dogwood). A rare and beautiful variety. Blossoms are rose-pink suffused with bright red, and last longer than the leaves.
Prices on above: Each 10
2 to 3 feet \$1.00 \$8.00
3 to 4 feet 1.75 14.00

PRINUS—PINE
JACK PINE (Banksiana). A low-growing tree of bushy habit. Very hardy. Foliage bright green.
Prices on above: Each 10
5 to 6 feet \$3.00 \$25.00
6 to 8 feet 5.00 45.00

AUSTRIAN PINE (Austriaca). A tall, massive tree with spreading branches and gray bark, long, stiff very dark green needles.
Prices on above: Each 10
18 to 24 inch \$1.00 \$8.00
2 to 3 feet 2.00 17.50
3 to 4 feet 3.00 26.00

RED PINE (Resinosa). Also known as Norway Pine. A very ornamental tree. Needles are long and soft; a good green color.
Prices on above: Each 10
12 to 18 inch \$0.40 \$3.00
18 to 24 inch .50 4.00
2 to 3 feet 1.00 8.00
3 to 4 feet 1.60 13.00

HEMLOCK SPRUCE (Tsuga Canadensis). A broadly pyramidal, medium-sized tree of dense growth, with rich green foliage and drooping branches. It is excellent as a single lawn tree, or for hedge purposes. It is a beautiful soft green the year around.
Prices on above: Each 10
15 to 18 inch \$1.00 \$8.00
18 to 24 inch 1.50 12.50
2 to 3 feet 2.00 18.00
3 to 4 feet 3.00 25.00
4 to 5 feet 4.00 35.00

PICEA—SPRUCE
WHITE SPRUCE (Alba Picea). A handsome tree of pyramidal compact form. Very good for mass planting.
Prices on above: Each 10
12 to 18 inch \$0.75 \$6.00
18 to 24 inch 1.25 10.00
2 to 3 feet 2.00 15.00

NORWAY SPRUCE (Eccelsa). The most popular Spruce, due to its hardiness. Makes rapid growth and is easily transplanted. Dark green foliage. Used extensively for Christmas trees.
Prices on above: Each 10
12 to 18 inch \$0.75 \$6.00
18 to 24 inch 1.25 10.00
2 to 3 feet 2.00 15.00

TEARS' WEEPING MULBERRY (Alba Pendula). A rather odd tree with its long, weeping branches, producing a fountain-like effect of large, glossy green leaves.
Prices on above: Each 10
One year heads \$1.00
Two year heads 2.50
Three year heads 2.50

MAGNOLIA
ACUMINATA (Cucumber Tree). The tallest of the Magnolias, growing rapidly to a fine pyramidal tree 60 to 80 feet high. In mid-summer large, creamy white blossoms appear among the deep green leaves, and large cucumber-shaped fruits that turn bright crimson succeed them.
Prices on above: Each 10
3 to 4 feet \$0.50 \$4.00
4 to 5 feet .65 5.00
5 to 6 feet .80 6.00

POPULUS—POPLAR
BOLLEANA POPLAR (Silver Leaf). Will grow quickly to a tall spire. Its leaves are glossy green, very beneath, creating an attractive flashing effect when stirred by the winds. We have some extra fine trees we offer at the following prices.
Prices on above: Each 10
8 to 10 feet \$1.50 \$12.50
10 to 12 feet 2.15 15.00

LOMBARDY POPLAR (Nigra). Grows tall and symmetrical. Branches close to the ground and is fine for screen purposes or landscape work. A picturesque tree.
Prices on above: Each 10
3 to 4 feet \$0.25 \$2.00
4 to 5 feet .40 3.00
5 to 6 feet .60 5.00
6 to 8 feet .85 7.50
10 to 12 feet 1.00 9.00

CHINESE ELM—The new sensational tree; sturdy, quick growing and beautiful. Resists drought, heat and alkali, and will grow from 4 to 8 feet per season. Thrives in poor soil where other trees die out; in zero weather as well as in hot countries. Endorsed by Experimental Stations.
Prices on above: Each 10
5 to 6 feet \$0.50 \$4.00
6 to 8 feet .65 5.00
8 to 9 feet .80 6.00
9 to 10 feet 1.25 10.00

Dogwood is a Beautiful Sight in May

An Old-Fashioned Home Surrounded by Flowering Shrubs and Trees. Still Modern and Attractive

PRIVET—LIGUSTRUM
A group of most useful shrubs. The Privets are not particular as to soil, will grow rapidly in the open or partially shaded places. In shrubbery borders or hedges, their good qualities can be appreciated. They withstand shearing exceptionally well and can be kept at any height or form.
AMUR RIVER NORTH PRIVET (Amurensis). A very hardy variety, that is used more in the north.
Prices on above: Each 10
12 to 18 inch, branched \$0.10 \$0.80
18 to 24 inch, branched .12 1.00
2 to 3 feet, branched .15 1.25

AMUR RIVER SOUTH PRIVET (Sinensis). If the winter season is not too severe this variety will retain its foliage throughout the entire year, thereby gaining the title of evergreen privet. Makes a nice, compact hedge.
Prices on above: Each 10
12 to 18 in., 2 yr. branched \$0.08 \$0.60
18 to 24 in., 2 yr. branched .10 .80
2 to 3 ft., 2 yr. branched .12 1.00
3 to 4 ft., 2 yr. branched .15 1.25

CALIFORNIA PRIVET (Ovalifolium). A very popular variety. Compact, upright habit. Leaves dark green and glossy.
Prices on above: Each 10
12 to 18 inch, branched \$0.05 \$0.40
18 to 24 inch, branched .08 .60
2 to 3 feet, branched .10 .80
3 to 4 feet, branched .15 1.25

IBOTA A Japanese variety of the most beautiful character. Valuable for specimen plants or hedges.
Prices on above: Each 10
12 to 18 inch, branched \$0.10 \$0.80
18 to 24 inch, branched .12 1.00
2 to 3 feet, branched .15 1.25

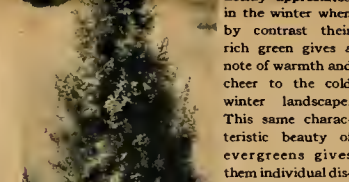

ROBINA HISPIDA (More Locust). The racemes of rose-pink or pale purple hang in clusters like Wisteria. Rarely grows taller than 2 or 3 feet.
Prices on above: Each 10
18 to 24 inch \$0.25 \$2.00
2 to 3 feet .35 3.00

Privet Hedge

Evergreens in Select Varieties

RICH IN FOLIAGE, BEAUTIFUL IN FORM
The splendid form and color of evergreens is most keenly appreciated in the winter when by contrast their rich green gives a note of warmth and cheer to the cold winter landscape. This same characteristic beauty of evergreens gives them individual distinction even in summer time. Their hardiness, their variation in form, color and habit make evergreens almost indispensable in any planting.

Irish Juniper

JUNIPER (Juniperus)
A group of evergreen trees and shrubs of great beauty and adaptability. The up-growing forms make beautiful specimens, while the prostrate varieties are widely used as a ground cover.
CANADENSIS (Spreading Juniper). A fine creeping Juniper, seldom more than one foot high, and attaining a current size of 12 feet. A dense compact mat of beautiful green foliage.
Prices on above: Each 10
12 to 15 inch spread \$0.75 \$6.00
15 to 18 inch spread 1.00 8.00
18 to 24 inch spread 1.50 12.50
24 to 30 inch spread 2.00 18.00

WAREHAM ARBOR VITAE. Broad-pyramidal in shape, of slow, dense growth, with stout branches and bluish green foliage.
Prices on above: Each 10
12 to 15 inch \$0.75 \$6.00
15 to 18 inch 1.00 8.00

BECKMAN'S GOLDEN ARBOR VITAE (Aurea Nana). Conical in shape; foliage warm golden. Very slow growing, and used where dwarf plant is required.
Prices on above: Each 10
12 to 15 inch \$0.85 \$7.50
15 to 18 inch 1.00 9.00
18 to 24 inch 1.50 12.50
24 to 30 inch 2.00 18.00

PYRAMIDAL ARBOR VITAE (Thaya Pyramidalis). Strong, erect and pyramidal shape. Rich, dark, glossy green foliage. Useful to plant to break height of tall houses at corners.
Prices on above: Each 10
18 to 24 inch \$0.85 \$7.50
24 to 30 inch 1.00 9.00
30 to 36 inch 1.50 12.50
36 to 42 inch 2.25 18.00

EARLY RICHMOND A very early sour cherry; very popular. Branch red. Hardy and grows to a compact tree.
Prices all varieties of Plums: Each 10
2 to 3 feet \$0.20 \$1.50
3 to 4 feet .30 2.50

MONTMORENCY A well-known hardy and productive cherry. The fruit is larger than that of the Early Richmond and is slightly acid. Bright red; ripens in early July.
Prices all varieties of Cherry Trees: Each 10
2 to 3 feet \$.30 \$2.50
3 to 4 feet .40 3.00

BLACK TARTARIAN A favorite sweet cherry. Fruit large and very dark red, almost black when ripe; flesh firm and of delicate flavor. Very high quality. Ripens in June.
GOVERNOR WOOD Fruit large, yellow, nearly covered with bright red berries; immediately after the Black Tartarian.
Prices on above: Each 10
2 to 3 feet \$0.30 \$2.50
3 to 4 feet .40 3.00

IRISH JUNIPER (Communis Horizontalis). Grows round, very erect. Foliage sage green and very compact. Much used in remeteries.
Prices on above: Each 10
12 to 15 inch \$0.75 \$6.00
15 to 18 inch 1.00 8.00

Bulbs for Fall Planting Early Spring Flowers

FALL IS THE TIME TO PLANT TULIPS FOR SPRING BLOOMS

The demand for Tulips has increased so much in the past few years that we think they need no introduction, and we are listing several varieties here and think that we have a good selection for you to choose from. Tulips can be planted from October 1st until the ground is frozen solid and should be planted four inches apart and three to four inches deep.

Darwin Tulips

DARWIN TULIPS

- AFTER GLOW**—Dark rosy red, copper color edged.
BARRONE DE LA TONNAYE—Vivid pink, margined bluish.
BARTIGON—Fiery crimson, and the best commercial variety.
BLEU AIMABLE—Blue lavender.
CLARA BUTT—Clear, self-colored, salmon rosy pink.
CITY OF HAARLEM—Bright scarlet with black center; one of the best.
FARNCOMBE SANDERS—Fiery rose-scarlet.
FEU BRILLIANT—Fiery red, very attractive.
INGLESCOMBE YELLOW—Large cup shape, clear canary yellow.
MADAME KRELAGE—Lilac rose, a good variety.
PHILLIPE DE COMMINS—Maroon.
PRIDE OF HAARLEM—Bright rose suffused with purple; used for border among shrubs.
PRINCESS ELIZABETH—Vivid rose pink, very beautiful.
REV. EWBANK—Silvery heliotrope, with light tint at margin.
VALENTINE—Violet blue.
WHITE QUEEN—Large white.
 6c each, 60c per doz., \$4.00 per 100

DOUBLE EARLY TULIPS

- COURONNE d'OR**—Orange yellow.
PEACH BLOSSOM—Beautiful rosy pink, shaded white.
RUBRA MAXIMA—Crimson red.
 8c Each 75c per Doz. \$5.00 per 100

Crocus

CROCUS

The unusually bright colors of Crocus make a wonderful display, and they are among the first flowers to bloom. Plant 3 inches apart in clusters, in front of shrubs or in the lawn.

- STRIPED QUEEN**—Lavender stripes on white ground.
PURPUREA GRANDIFLORA—Deep purple-purple.
YELLOW MAMMOTH—Deep yellow.
 Prices on the above varieties:
 50c per doz., \$3.00 per 100

ORNAMENTAL GRASSES

Very effective and artistic results may be obtained by the use of these graceful and attractive plants, good used with other plantings and also in rock gardens.

- EUALIA GRACILLIMA UNIVITTATA** (Japan Rush).
 Of long graceful habit; very narrow bright green foliage. Grows 6 to 7 feet high.
EUALIA, DWARF VARIEGATED—Leaves longitudinally striped. Leaves green, green and silvery stripes. Grows 6 to 7 feet high.
 Prices for the above varieties:
 50c per doz., \$3.50 per 100

DELPHINIUM—HARDY LARKSPUR

Delphiniums are without question the most beautiful hardy plants in cultivation. Their long, showy spikes of various colored flowers are in bloom from June until frost, and furnish an unlimited supply of cut flowers. 2 year size, 20c each, 3 for 50c, 6 for 90c, 12 for \$1.60

COTTAGE OR MAY FLOWERING TULIPS

- AMBROSIA**—Superb rosy lilac edged apricot, fragrant.
MRS. MOON—Large pure yellow.
PICOTEE—White, with bordered and tipped rosy pink.
 Prices on the above varieties:
 8c each, 75c per doz., \$5.00 per 100

HYACINTHS

There is no bulb that can take the place of the Hyacinth, for it can be grown in beds in the flower garden and also in pots and they are easy to grow. They should be planted 3 to 5 inches apart, and about 2 inches deep.

- CITY OF HAARLEM**—Large, fine yellow.
GARIBALDI—Brilliant carmine, extra fine and large spikes.
GERTRUDE—Very fine deep pink; an early forceer.
KING OF THE BLUES—Deep blue, with large spikes.
LA GRANDESSE—Pure double white large bells.
QUEEN OF THE BLUES—Dark blue, with large spikes.
QUEEN OF THE PINKS—Beautiful deep pink.
ROI DES BELGES—Bright scarlet red.
YELLOW HAMMER—Deep yellow; the best in this color.
 Prices on the above varieties:
 15c each, \$1.35 per doz.

Tiger Lily

Rubrum Lily
